GETTING STARTED

CASAS eTests users receive a free, basic package of TOPSpro Enterprise when they purchase web-test units (WTUs).

TOPSpro Enterprise (TE) Online is a data accountability software that allows programs to easily access, manage, track, and report program and student outcomes for local, state, and federal reporting.

TE is a software that is downloaded on the computers of instructors and administrators (but not on student testing devices). Requires Windows 10.
