

# PY 22-23 End of Year Checklist

Presented by Elena Madrid, Supervisor, TWC AEL

# Agenda for Today

- Go over the agenda.
- Learn how the check list is used, who would use it, and the benefits of using it
- Learn about any additions or changes to the check list from last year
- Who to contact for further assistance and clarification

# Objectives

- Understand how the End of Year Checklist can specifically benefit your program
- Be able to tackle the end-of-year closeout duties more efficiently
- Come up with a team plan to distribute closeout responsibilities
- Leave better informed than when you started the webinar

# What is the End of Year Checklist?

It is a tool used to assist programs with close out procedures.

It is not...

- Policy
- An “official” vetted TWC document
- Not all inclusive

# Something to Remember

- Team Effort: Quite a few things to cover
- Tie Sensitive: A good amount of the items on the list need to be completed by July 15th.
- Who on Your Staff Could Assist? Who has the experience or knowledge to get the tasks done?
- Who Will be the Lead? Who is the one person who has a reputation for following through and is good at delegating?

# Prevent Missed Opportunities

- TEAMS closes July 15th for data entry and/or changes for PY 22-23 data
- Cannot reopen data
- Missed opportunities for enrollment, MSGs, Credentials, and employment

**No Exceptions!**

# Areas Covered on Checklist

- Staff
- Participant
- Classes
- Training Services
- Validation and Data Sign Off
- Grant Management

- All contact hour documentation (sign-in sheets) matches what is reported in TEAMS.
- Individuals participating in IET, Intensive Services or Distance Learning have reached participant status with 12 direct hours.
- Ensure all participants who have been tested early have justification in their file for being tested early.
- Test participants who have tests set to expire.
- Participant notes in participant profiles have been updated.

Program Year PY  
22-23

Program Year PY  
23-24

Valid Test

Valid test – not yet expired.

CLASS

Participant put into a class first and earns direct contact hour first. The valid test will be pulled forward establishing the baseline.

Post Test

Next test will be a post-test.

Need to establish a Baseline for the new program year.

Valid Test

Valid test – not yet expired.

New Test – New Baseline

Tested before first direct contact hour entered into TEAMS. This will now be a new baseline and not a Gain.

CLASS

Participant put into class after getting tested in the new program year. You will now have to test, again, for a post-test gain against the new baseline.

# Important Notice

- No Roll over of classes this program year!
- Training services can continue!

# Training Services

- All IETs have a Training Service set up in TEAMS and all classes for the training service are attached.
- Training Service State Date(s) match Training Class Start Date(s).
- All IET coded students are attached to a Training Service.
- All participants in Training Services (IETs) are updated to either Completed/Withdrew).

Training Services are different from classes set up for training and capturing training hours.

# Upcoming Technical Assistance

**SAVE THE DATE:** Detailed Project Plan and PD Plan Update Roll Out – Thursday, April 27, 2023 @ 10:30 a.m. Register in the PD Portal (No PD Credit. Informational only).

In this session, the TWC Technical Assistance Team and Statewide PD Center will give an overview of changes made to the Detailed Project Plan and PD Plan, deliverables that are required to be submitted annually to TWC. Learn about why these documents are required, how they are used, important dates for these documents and how these documents have been updated to better support overall program success.

**SAVE THE DATE:** TWC TA Team New Way of Working – Thursday, May 11, 2023 @ 10:30 a.m. Register in the PD Portal (No PD Credit. Informational only).

It's not business as usual for the TWC AEL Technical Assistance team starting July 1, 2023. Join the TWC TEAM as we introduce our New Way of Working which will better equip TWC staff in providing TA to the state, as well as, giving programs the access needed to information more readily.
