Goal Sheet

Adult Education Integration Self-Monitoring Evaluation

The purpose of the self-monitoring evaluation is to ensure that your partnership maintains an action plan for the following categories: Communication, Time Management, Data Analysis, Timelines, Accountability and Performance. Your partnership goal for Year 2 of the Adult Education Integration connector will be reflected on this table. This document will be filled out as a partnership and should be visited on a quarterly basis over the course of year 2 in order to provide qualitative information on your partnership.

Success Stories

Hey Cypress Station!

I just want to give a shout out to William. I don't typically hear of the experiences and encounters that our job seekers have with you guys but now that she, Edith Vela, is an employer she wanted me to let William know that he motivated her and inspired her not to give up and to use the Workforce Solutions platforms to better herself. She mentioned that she lost a lot due to COVID, but William was the inspiration that defeated her desperation! She went to school, took lots of classes, and somebody told her that she can earn a living by being her own boss!!!! She will soon be opening her own salon and wants to give back to WFS.

Hat's off to you William!!!!
