# Using the Events Calendar to Find Live Training

Live training = face-to-face training sessions and live webinars.
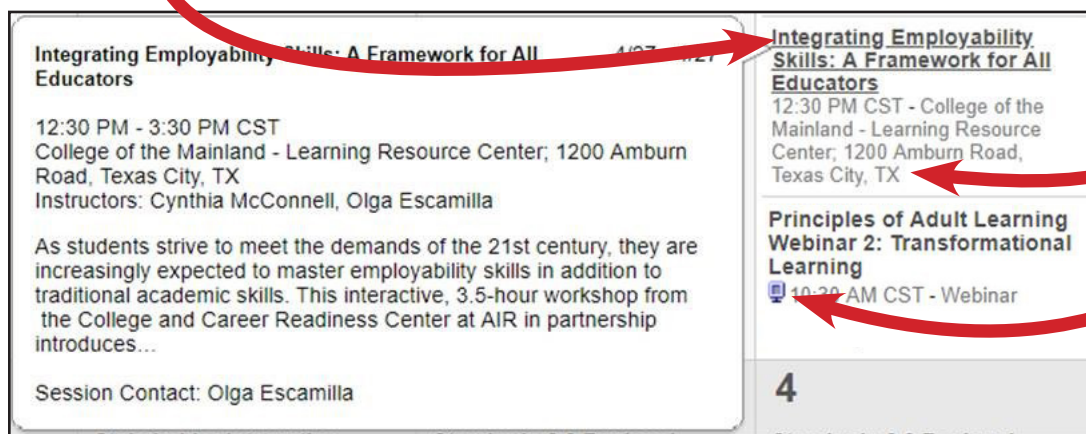

1. Hover on the ***Find Training*** tab and select the ***Events Calendar*** menu option.

2. Select the month of the training session or use the filters to search within the calendar.
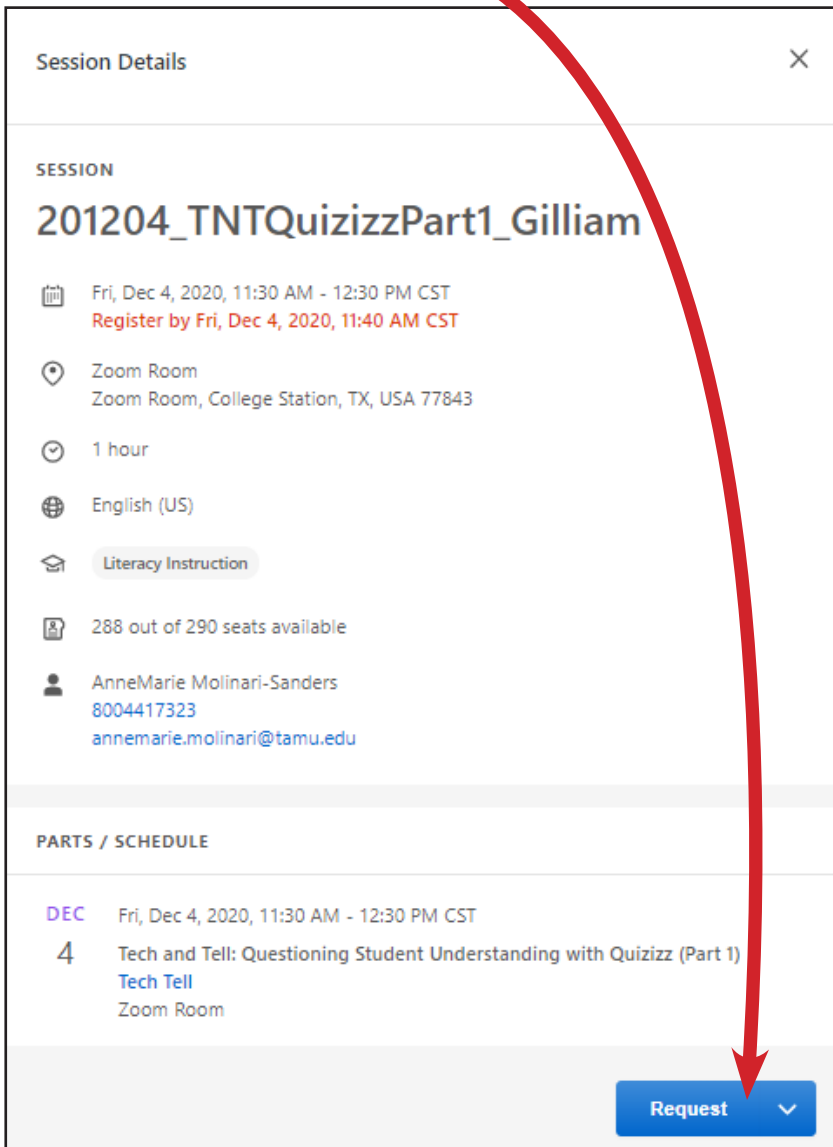

3. Hover on top of the desired training to view the details.

Integrating Employability Skills: A Framework for All Educators

12:30 PM - 3:30 PM CST
College of the Mainland - Learning Resource Center; 1200 Amburn Road, Texas City, TX
Instructors: Cynthia McConnell, Olga Escamilla

As students strive to meet the demands of the 21st century, they are increasingly expected to master employability skills in addition to traditional academic skills. This interactive, 3.5-hour workshop from the College and Career Readiness Center at AIR in partnership introduces...

Session Contact: Olga Escamilla

Note: If the training includes a physical address, it is a face-to-face training.

If it includes a blue computer icon, it is a live webinar.

4. Once you locate the desired training, click on the bolded title. A Sessions Details page that includes information about the training will appear. Click on the **Request** Button.
