## **Viewing Your Active Transcript**

There are several ways to view your active transcript. Your active trainscript includes any professional development that you have been assigned, that are in progress, or you are registered for.

1. Hover on the *My Learning* tab and click on **View Your Transcript**.

2. View your active transcript.

NOTE: If the button next to a curriculum says View Training Details, please make sure to complete the prerequisite first. After the prerequisite is complete, the button will say Open Curriculum.

3. To start an online course, simply click on **Open Curriculum.**
