

# Launching a Live Webinar via a Mobile Device

1. First download the Zoom app from the App Store (iOS) or Google Play (Android).

2. Log into the PD Portal at <https://twc.csod.com/>.
3. Click **Launch** from the training sidebar to join the webinar.

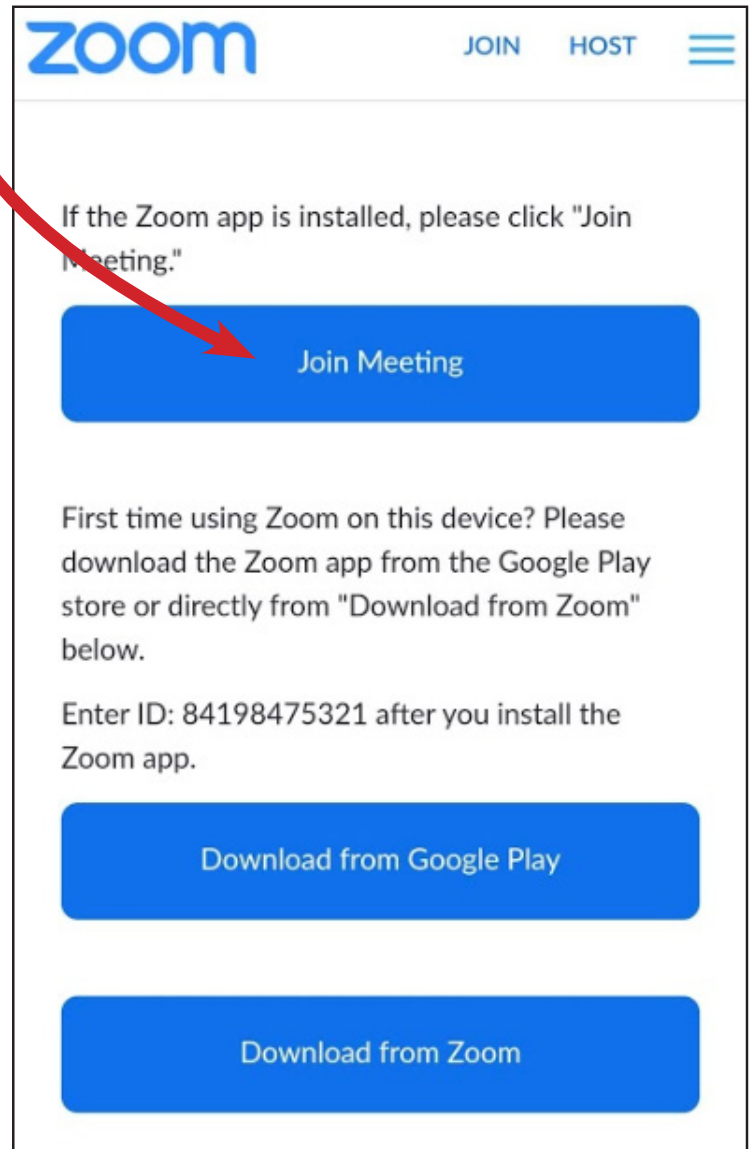

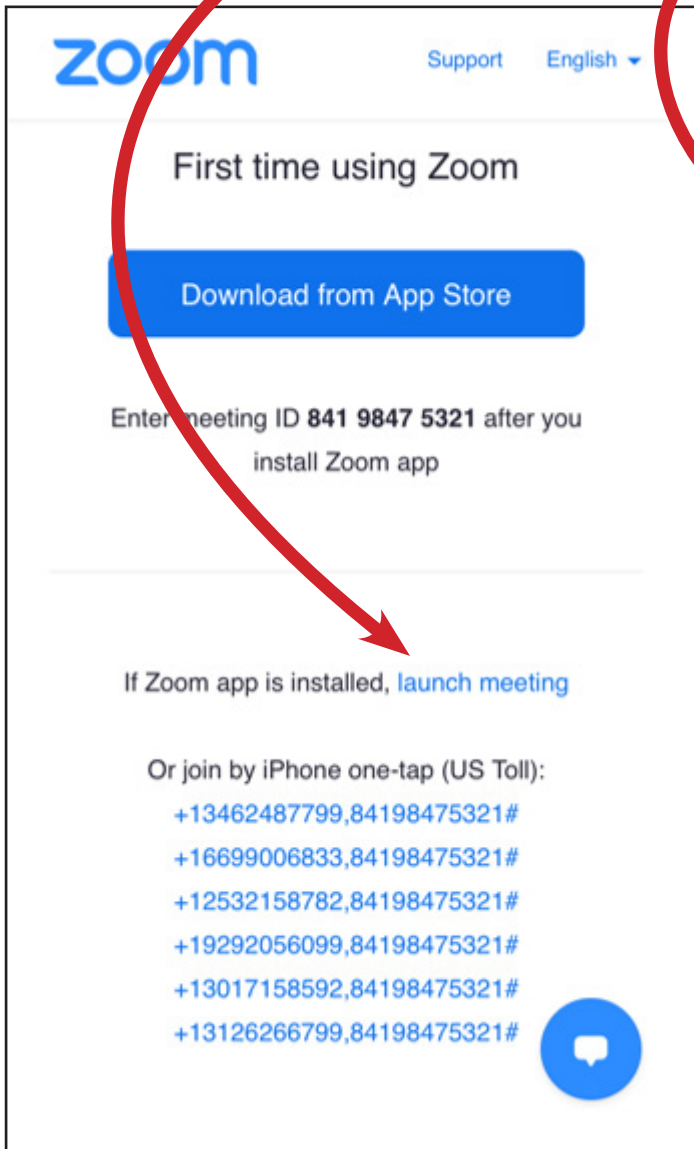

4. "If the course fails to launch, please make sure your browser is set to allow pop-up windows." Click **Agree**.

5. A screen will appear and say "Open in Zoom?" Click **Open**.

6. Since you should already have the Zoom app downloaded to your device, you just need to **launch meeting** (iOS) or **Join Meeting** (Android).

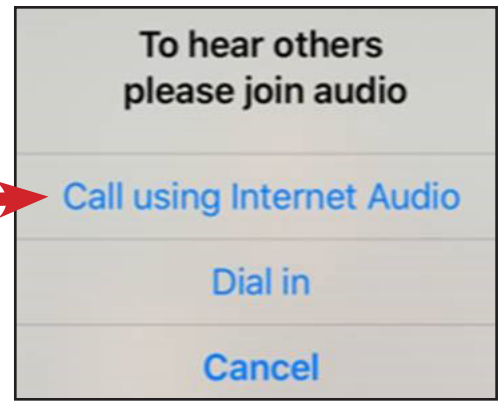

7. A screen will appear and say “Open in Zoom?” Click **Open**.

8. Please connect your audio by selecting **Call using Internet audio/Call via Device Audio** (recommended) or **Dial in**.

Android

iOS

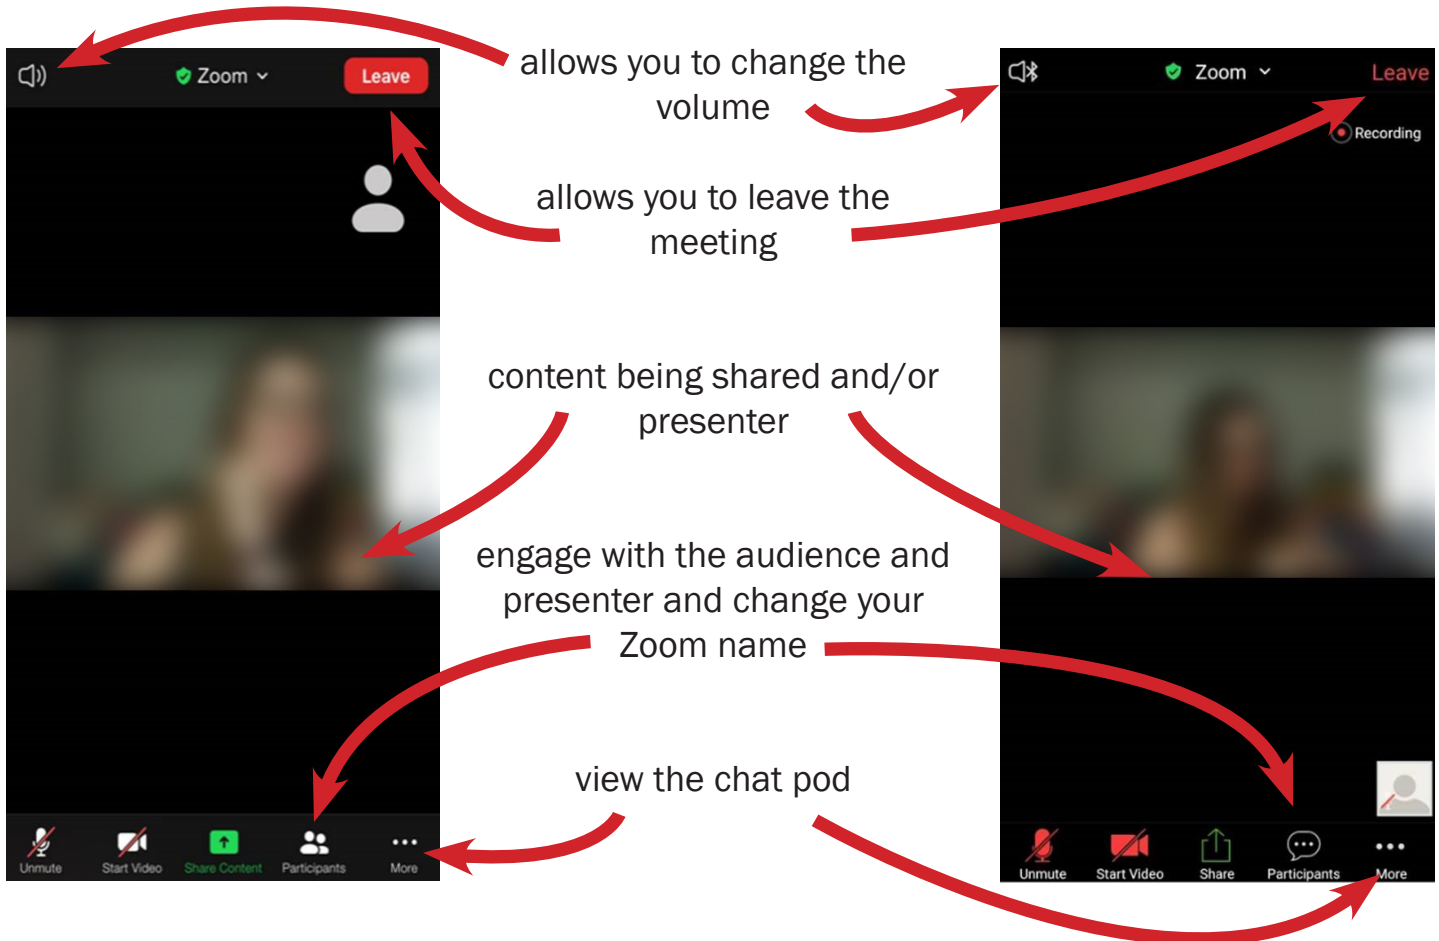

9. Please wait until you are welcomed into the Zoom room by the host.

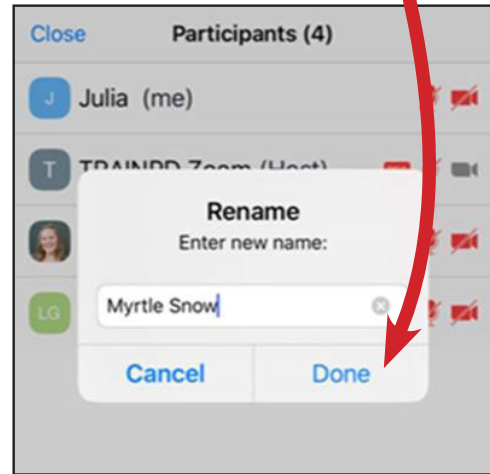

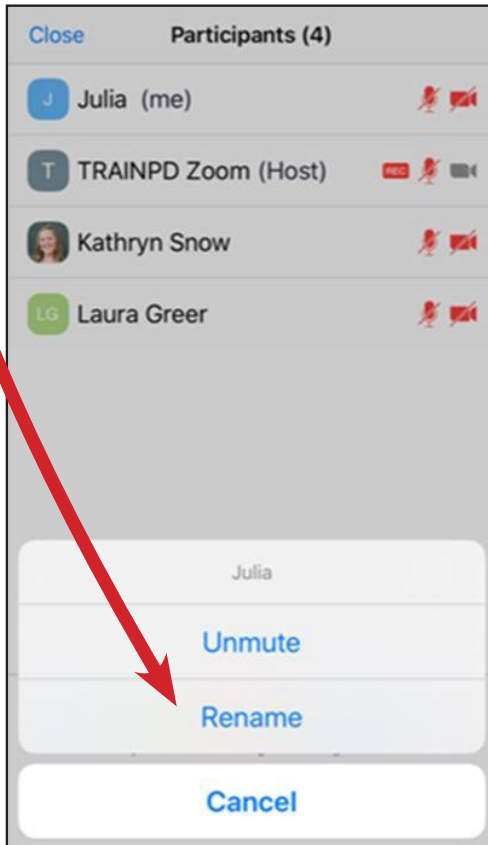

**Get acquainted with the layout and Zoom features on your device.**

**iOS**

**ANDROID**

**NOTE:** If you need to edit your Zoom name, click on the **Participants** icon. Click on your name to Rename correctly using your name you go by in the PD portal. Then click **Done**.
