

IETs During the Pandemic (Phase 1)

Survey on IET Delivery Models under COVID-19

This survey addresses Integrated Education and Training service models under COVID-19 for Adult Education and Literacy providers. (See [AEL Letter 02-16change 1](#) for more information.)

IET Models include:

Workforce Preparation Activities

Adult Education and Literacy Activities and

Workforce Training (for a specific occupation)

* 1. Please select type of Grantee from the drop down menu.

2. Select your Board area from the drop down menu:

* 3. Name of Provider:

4. Person completing the survey:

5. Overall, how many of your IET or Training programs are still serving students?

6. Across all of your operating IETs, what percentage of Workforce Preparation Activities (WPA) are occurring?

25%

100%

50%

Workforce Prep Activities have not yet restarted

75%

Other

Other (please specify)

7. Across all of your operating IETs, what percentage of AEL Activities ("direct hours" of instruction) are occurring?

- 100%
- 75%
- 50%
- Other (please specify)
- 25%
- Remote AEL have not yet restarted.

8. Across all of your operating IETs, what percentage of Workforce Trainings are occurring?

- 100%
- 75%
- 50%
- Other (please specify)
- 25%
- Training has not resumed.
- Only remote classroom training has resumed. No lab, hands-on, clinicals are possible at this time.

9. Check the on-boarding services that have transitioned (or continue) as remote services.

- Student advising
- Assessment testing (NRS)
- Intake, at a distance
- Completion of enrollment form
- Online release of information
- Class placement
- Online 'automated' class registration through institutional systems
- Orientation to on-line learning
- Comments:

10. What is the greatest challenge to providing IET services for participants? (Use 5 to indicate greatest. Use 1 to indicate a lesser challenge.)

Very few trainings are available for remote instruction from our occupational training provider.

Participants lack home internet services.

Lack of appropriate devices for accessing services (ex. no computers).

Limited digital literacy skills to make engagement effective.

Training faculty who lack preparation for teaching online.

11. What **industry recognized credentialing exams** for your IETs are available for end of program certification testing ? (As of April 30, 2020.) (Pre-reqs such as CPR, First Aid, OSHA 10, note in the comment box if available; although not regarded as recognized postsecondary credentials.) The list below is not comprehensive.

	Industry recognized Certifications	College awarded certificates
Business Management (Bookkeepers, Tax Preparer etc., other)	<input type="checkbox"/>	<input type="checkbox"/>
Education & Training (Certified Health Education Specialist)	<input type="checkbox"/>	<input type="checkbox"/>
Health-related occupations (C.N.A., Medical Assistant, Phlebotomist, other)	<input type="checkbox"/>	<input type="checkbox"/>
Hospitality & Tourism (Certified Restaurant Server, Hotel/Motel Management, other)	<input type="checkbox"/>	<input type="checkbox"/>
Industrial Trades (Welding, HVAC, Pipefitting, Plumbing, other)	<input type="checkbox"/>	<input type="checkbox"/>
Information Technology (Hardware, Software, Systems, A+, COMPTIA, other)	<input type="checkbox"/>	<input type="checkbox"/>
Maintenance & Repair	<input type="checkbox"/>	<input type="checkbox"/>
Manufacturing	<input type="checkbox"/>	<input type="checkbox"/>
Marketing (Web development, Sales Rep (CSR) (CPR), other)	<input type="checkbox"/>	<input type="checkbox"/>
Office Administration (MOS Certifications, other)	<input type="checkbox"/>	<input type="checkbox"/>
Public Safety, Corrections, Security (Handgun Carry Permits, Site Security Officer, other)	<input type="checkbox"/>	<input type="checkbox"/>
Transportation, Distribution, and Logistics (CDL, Austo Tech (various) Supply Chain, Logistics Tech, other)	<input type="checkbox"/>	<input type="checkbox"/>

12. At your institution, what occupational areas have effective remote instruction available? (ex. Medical billing and coding, MOS Certifications, WEB Design, COMP TIA, A+ etc?) Please enter trainings in the box below or opportunities you see on the horizon.

13. What specific IET programs are you delivering under COVID-19? (List in the comment box such as: MOS, A+, Entrepreneurship, Welding etc.)

14. List the "exit credential" your IET program delivers when exam(s) (or College course sequences) are completed successfully: (Such as NCCER Core, HVAC Level 1, National Bookkeepers Association Certifications (Accounting, Sections or All Parts), COMPTIA, A+, etc.)

15. Submit additional comments on your status for delivering IET services.
