# Launching a Live Webinar via a Mobile Device

1. First download the Zoom app from the App Store (iOS) or Google Play (Android).

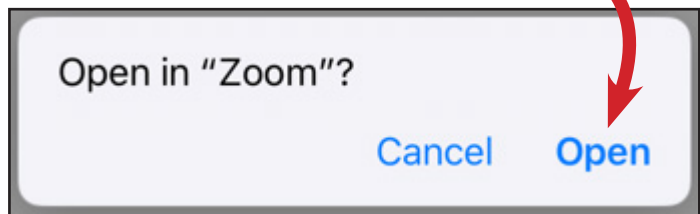

2. Log into the PD Portal at https://twc.csod.com/.

3. Click **Launch** from the training sidebar to join the webinar.

4. "If the course fails to launch, please make sure your browser is set to allow pop-up windows." Click **Agree**.

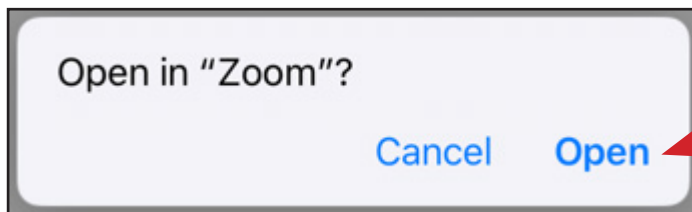

5. A screen will appear and say "Open in Zoom?" Click **Open**.

1

6. Since you should already have the Zoom app downloaded to your device, you just need to **launch meeting** (iOS) or **Join Meeting** (Android).

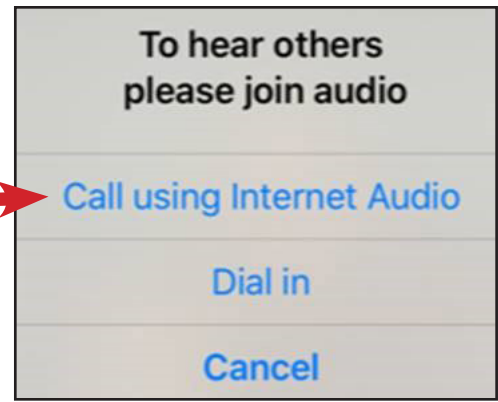

7. A screen will appear and say "Open in Zoom?" Click **Open**.

8. Please connect your audio by selecting **Call using Internet audio/Call via Device Audio** (recommended) or **Dial in**.
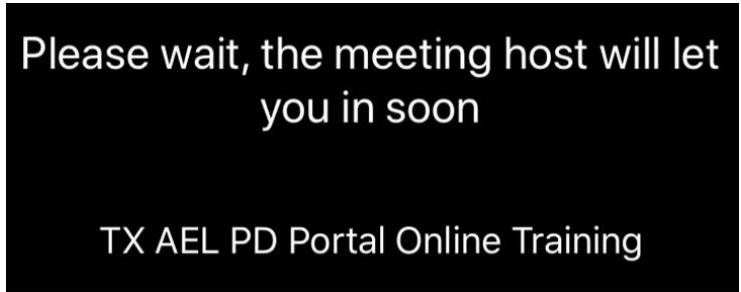

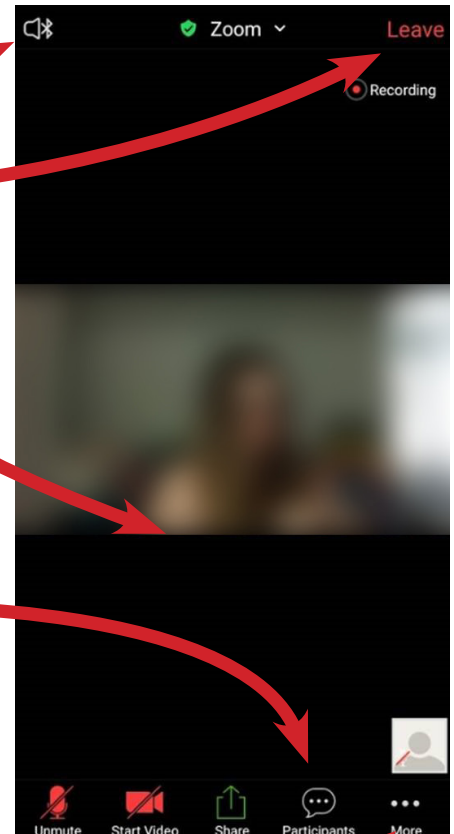

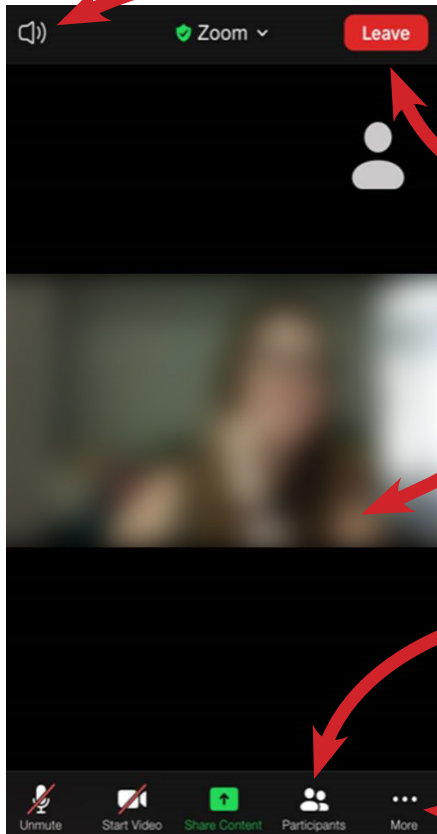

Call via Device Audio

Dial in

Android

To hear others please join audio

Call using Internet Audio

Dial in

Cancel

iOS

9. Please wait until you are welcomed into the Zoom room by the host.

Please wait, the meeting host will let you in soon

TX AEL PD Portal Online Training

Get acquainted with the layout and Zoom features on your device.

iOS   **ANDROID**
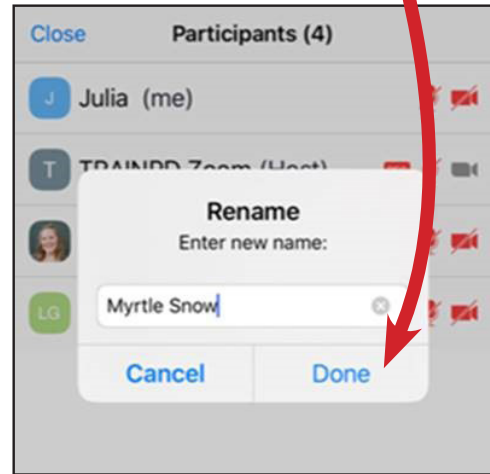

allows you to change the volume

allows you to leave the meeting

content being shared and/or presenter

engage with the audience and presenter and change your Zoom name

view the chat pod

NOTE: If you need to edit your Zoom name, click on the **Participants** icon. Click on your name to Rename correctly using your name you go by in the PD portal. Then click **Done.**

! IMPORTANT: To ensure you receive PD credit, please make sure your Zoom name <u>matches</u> the name you have in the PD Portal.
